Personal Job of Interest and Educational Path - Worksheet

Websites to reference:

www.educationplanner.bc.ca

www.canadian-universities.net

www.monster.ca

http://jobs.gc.ca/menu/home_e.htm

The first two websites are to help with researching educational institutions for the job you choose. The last two websites are to help you research careers that you are curious about and the skills needed to pursue those careers.

Introduction:

(write a rough draft of your introduction here)

Career goal - job description, job futures, salary, hours of work:

- Job / career and description:

- Job futures (for ex: will you stay in the same position or will you move on to other things in this field?)

- Salary:

- Work schedule (hours of work, vacation):

Name:

Date:

Grade 11/12 required courses:

(what courses do you need to take now to help you prepare? List at least five courses)

Required skills, experience, references, portfolio, etc.:

(list all the skills, experience, and extra needs for your job that are required)

- Skills:

- Experience:

- Other needs (portfolio, references):

Post-secondary institution

(pick a post-secondary institution you would go to and list the program that you would enroll in to develop your skills for your career interest, also include why you chose it)

Conclusion

(include a rough draft of your final words—3-5 sentences--on all the research you have done and what you think now about the career you chose)

Extra Websites you used for this research:
